## LEGEND

PCA	Physico-Chemical Analysis
MA	Microbiological Analysis
NA	Not Applicable
PYR	Pyrogen Test
TPH	Total Petroleum Hydrocarbon
PAH	Polycyclic Aromatic Hydrocarbon
BTEX	Benzene, Toluene, Ethylbenzene, Xylene
*	Exclusive of Vitamins, Mycotoxins and Pesticides
**	Exclusive of Antiseptic Agents
***	Exclusive of hydrocarbons
#	This price is exclusive of vitamins, minerals and metals which should be negotiated
§	This price is exclusive of amino acids which should be negotiated
▣	This is exclusive of minerals like Arsenic, Mercury, Barium, Cadmium, etc which should be N20,000 per metal
NOTE	With the exception of soaps, detergents, perfumes, Curl activators/Relaxers, Petroleum products, cement, industrial chemicals and hydrocarbons (that are only PCA analysis) all other categories where only PCA or Ma is required, the price shall be 70% of the combined price for PCA and MA.
